## CLOSING THOUGHTS

### CLOSING THOUGHTS ON THIS PUPPY

Miss Dagger: This little pup has a face that melts my heart. She is little and has those soulful brown eyes. She is friendly and affectionate. She likes to move around and play. She is confident and happy. This is another example of a puppy that would make a child very very happy. She will have the aussie look in the little package. She will have the moderate activity level and come with all of that fun puppy stage stuff. This is a classic puppy from our breeding. Noise wise she takes a little longer to settle down for bed but doesn't peep until morning.
