## CLOSING THOUGHTS

### CLOSING THOUGHTS ON THIS PUPPY

Miss ER: This little pup has some spunk. She is just a little girl with a big personality. She really enjoys being around people and is very loving. I would anticipate her really enjoying balls, fetch, and other active games. She is the smallest of the litter and exhibits smaller features. She is healthy and well just light weight and active. Her copper is quite beautiful and overall she is a total doll baby.
