## CLOSING THOUGHTS

### CLOSING THOUGHTS ON THIS PUPPY

Mr. Longbow: This boy is a KNOCKOUT!!! He has such a nice head for a mini sized boy. His dark splashes are gorgeous and contrast with his deep ocean blue eyes. This is the largest pup at evaluations and can potentially reach up to 40lbs by maturity. He will look quite impressive as an adult and has the temperament to match. He is very calm when handled. He tracks well and follows dogs and people. He is neither leader nor follower, and is simply put, content. He is exactly the quality and temperament we are working towards and can't wait to see what he will do with his new family.
