CLOSING THOUGHTS

CLOSING THOUGHTS ON THIS PUPPY

WOW The Manager is BOMBPROOF already at 6 weeks. She was the first to meet milestones at the 3 and 4 week mark. She has been giving us intentional eye contract very early on. She has been approaching us and interacting very early on compared to the other puppies. She is consistently smashing expectations and evaluations out of the water. She is very confident and sure. This is a GREAT puppy. Prospective families will need to be prepared to do daily training with her as she is highly intelligent. Leader puppies are usually more stubborn that follower pups so she will need to be set up for success. This puppy is currently out PICK OF THE LITTER meaning she has evaluated the best overall.
