## CLOSING THOUGHTS

### CLOSING THOUGHTS ON THIS PUPPY

Miss Morning Star: This little pup got one of most unique names. A morning start is an old old medieval weapon and not as well known as some others. We wanted to give our only blue merle a flash name to fit her. This pup is a classic blue merle look with the two icy blue eyes to match. She is very playful and active. She does exhibit leadership qualities and instigates play. She will be a puppy who will keep you on your feet and pick up commands quickly. The puppy stage will be more challenging due to her slightly higher intelligence than some others, as smarter dogs often test their boundaries in the first 4-8 weeks. This pup will need to be placed with a family who is active and has a commitment to daily puppy training. A family with children is ideal to have extra helpers who will burn off that puppy energy.
